SUBJECT.:-Fixing a revised scale of expenditure in the - Sri Sivaganga Matha.

After the demise of the late Swamiji of the Sri Sivaganga Matt and the succession of the present young Swami to the Pita, a revised scale of expenditure of the Matt was sanctioned by Government in their order No.2994-3006/Muz.278-10-8 dated 29th March 1919. Since then, a loan of Rs.15000/- had to be obtained from the Sri Kalaseevala Swami temple at 6% interest, a sum of - - - Rs.1,000/- being payable every year from the Matt funds in adjustment of this debt together with interest thereon. The services of a competent teacher have had to be entertained in order to see to the proper education and training of the Swami and he is being paid more than double the amount provided in the present scale of expenditure for a Pandit. The Matt servants have been clamouring for augmented salaries, and the larger changes in the mental state of the devotees servants on the small salaries provided the scale, added to the recent rise in

prices of all the articles of consumption and clothing have been a source of much inconvenience to the smooth working of the -- Matt's affairs and have necessitated a further revision of the scale of expenditure in the Matt.

2. The jamabandi of the villages endowed to the Matha amounts to Rs.9,084/- -- exclusive of the income from the Sanjaslialli estate and the contribution of Rs.240/- a year paid from the funds of the Sri Chandrasekharaswami temple at Sivaganga for the nityanatte expenses in the Sri Sarada Temple at the place. Taking the income from the Sanjaslialli estate at the survey valuation of Rs.600/- per annum, the gross receipts may be taken to be Rs.10,740/-. The actual collections on a ten years' average based on the jamabandi accounts come to Rs.7,011/- a year. Adding the income from the Sanjaslialli estate and the contribution from the temple at Sivaganga, the net receipts amount to Rs.8,170/-

3. A statement showing the existing and the proposed scales of expenditure is hereto appended. The revised scale provides for an annual expenditure of - - - Rs.7,975-0-0, inclusive of a provision of - Rs.1,450/- towards the liquidation of the loan from the Palace temple. Considering the salaries of similar servants elsewhere in the City, the emoluments now proposed are by no means too much. The only item which may call for an explanation is the increase

Sanctioned.
Of this sum of the total additional Expenditure of Rs.2079-0-0 a sum of Rs 1450/- goes towards payment of instalment of interest on loan taken from the Kalaseshwaraswami Temple. As such the additional cost on Est amounts to Rs 629-0-0 only. Which is an increase of 10 p.c. This, I consider to be neither unfair nor unreasonable.

of Rs.15/- in the pay of the Agent of the -- Matt. The present Agent has been in the -- service of the Matt for several years past and his duties are both onerous and trying. At the present time when the Matt's affairs are in state of confusion owing partly to the present abnormal seasonal conditions and partly to their involved condition which has brought on a litigation likely to be a protracted one, a tactful Agent like the present one who is interested in the well-being of the Matt is very necessary and the pay of Rs.20/- now given him is barely adequate for the maintenance of his family at Bangalore. An enhancement of his pay by Rs.10/- is not too much and may be sanctioned. The other ite s do not call for remarks.

4. I solicit the sanction of Government to these proposals which may be given effect to from 1st July 1921, as most of the servants are only continuing in the service of the Matt in hopes of getting an increased pay for the last one year.

Yours faithfully,

Hd/- [illegible]

Superintendent.

MUZRAI DEPARTMENT.

G. O. No. 3246-8—Muz. 339-21-2, dated 4th January 1922.

Sanctioning a revised scale of expenditure in the Sri Sivaganga Matt.

READ—

Government Order No. 2994-3004—Muz. 278-18-3, dated the 29th March 1919, sanctioning a revised scale of expenditure in the Sri Sivaganga Matt.

2. Note dated the 24th November 1921, from the Muzrai Superintendent in Mysore on the subject :—

"After the demise of the late Swamigalu of the Sri Sivaganga Matt and the succession of the present young Swami to the Pita, a revised scale of expenditure in the Matt was sanctioned by Government in their Order No. 2994-3006—Muz. 278-18-3, dated 29th March 1919. Since then, a loan of Rs. 15,000 had to be obtained from the Sri Kalaseswaraswami temple at 5 per cent interest, a sum of Rs. 1,000 being payable every year from the Matt Funds in adjustment of this debt together with interest thereon. The services of a competent teacher have had to be entertained in order to see the proper education and training of the Swami and he is being paid more than double the amount provided in the present scale of expenditure for a pandit. The Matt servants have been clamouring for higher salaries, and the frequent changes in the menial staff and the dearth of servants on the small salaries provided in the scale, added to the general rise of prices of all the articles of consumption and clothing have been a source of much inconvenience to the smooth working of the Matt's affairs and have necessitated a further revision of the scale of expenditure in the Matt.

2. The jamabandi of the villages endowed to the Matha amounts to Rs. 9,884 exclusive of the income from the Sanyasihalli estate and the contribution of Rs. 240 a year paid from the funds of the Sri Gangadhareswaraswami temple at Sivaganga for the Nityakatle expenses in the Sri Sarada temple at the place. Taking the income from the Sanyasihalli estate at the survey valuation of Rs. 622 per annum, the gross receipts may be taken to be Rs. 10,746. The actual collections on a ten years' average based on the jamabandi accounts come to Rs. 7,311 a year. Adding the income from the Sanyasihalli estate and the contribution from the temple at Sivaganga, the net receipts amount to Rs. 8,173.

3 A statement showing the existing and the proposed scales of expenditure is hereto appended. The revised scale provides for an annual expenditure of Rs. 7,975-8-1, inclusive of a provision of Rs. 1,450 towards the liquidation of the loan from the Kalasa temple. Considering the salaries of similar servants elsewhere in the City, the emoluments now proposed are by no means too much. The only item which may call for an explanation is the increase of Rs. 15 in the pay of the Agent of the Matt. The present Agent has been in the service of the Matt for several years past and his duties are both onerous and trying. At the present time when the Matt's affairs are in state of confusion owing partly to the present abnormal seasonal conditions and partly to their involved condition which has brought on a litigation likely to be a protracted one, a tactful Agent like the present one who is interested in the well being of the Matt is very necessary and the pay of Rs. 20 now given him is hardly adequate for the maintenance of his family at Bangalore. An enhancement of his pay by Rs. 15 is not too much and may be sanctioned. The other items do not call for remarks.

4. I solicit the sanction of Government to these proposals which may be given effect to from 1st July 1921, as most of the servants are only continuing in the service of the Matt in hopes of getting an increased pay for the last one year."

ORDER NO. 3246-8—MUZ. 339-21-2, DATED 4TH JANUARY 1922.

The Muzrai Superintendent has in his note read above explained the necessity for a further revision of the scale of expenditure in the Matt. Government consider the scale proposed reasonable and are pleased to sanction the same with effect from the 1st July 1921.
